E-mail _____

Initials:

13. Does the certification body offer its services at other offices, subsidiaries, or organizations affiliated with the group (holdings) or partners?

If yes, please provide details on the partnership, directors and fields:

14. Does the certification body belong to a group or is it affiliated with another organization? If yes, please provide details:

15. Is the certification body conducting (business) activities other than certification? If yes, which activities?

16. Declaration:

The applicant duly authorized to commit the body's responsibility:

- a. Agrees that the application file be evaluated by the Committee on Accreditation for Evaluation of Quality (CAEQ) on behalf of the regulatory authority from which the accreditation is requested and that this administrative authority be the one making the decision concerning the accreditation status of the certification body, on the recommendation of the CAEQ.
- b. Agrees to comply with all the requirements and conditions stipulated in the *Regulations pertaining to Accreditation for Certifiers* published by the CAEQ, in addition to those mentioned in this application form, and understand that if the above-mentioned certification body does not meet any of the accreditation program requirements, this application may not be processed and may be rejected, or accreditation may be refused. In either case, all fees paid to the CAEQ will not be reimbursed.
- c. Agrees that all the information provided by the certification body, which the CAEQ and its authorized representatives may access, will only be disclosed, in part or in whole, to another accreditation body that has signed a confidentiality agreement with the CAEQ, or to a competent authority that has recognized the CAEQ.

Initials:

- d. Agrees to keep all the information exchanged between both parties confidential, except for any information that the CAEQ may authorize to disclose.
- e. Agrees to pay all the fees required by the CAEQ to carry out the accreditation procedure, and understand that the processing of this accreditation application will only begin after payment for the required fees to the CAEQ, as well as the supplying of all the documents required in the *Regulations pertaining to Accreditation for Certifiers*.
- f. Certifies that the information and documents submitted for this accreditation application are accurate, true and complete.
- g. Agrees to conform to accreditation criteria pertaining to the requested accreditation, including requirements that amplify the accreditation reference manual.
- h. Agrees to inform the CAEQ without undue delay about any significant modification either of its quality system, its organisation or its legal status and agree to any subsequent assessments led by these modifications.
- i. Understands that it is the applicant's responsibility to properly and objectively inform the operators registered with the aforementioned certification body about the accreditation process begun with the competent authority concerned by this application.
- j. Agrees to provide the CAEQ with all documents in English or French that it requires within the requested time limit and to have translated, into either English or French, any documents that were written in another language.
- k. Does not hold the CAEQ responsible for any legal action that may result from:
 - o Unauthorized use of any mention of the Committee on Accreditation for Evaluation of Quality (CAEQ) or the name of any accreditation authority with which the accreditation is requested;
 - o Failure to respect the terms and conditions concerning this accreditation application;
 - o Voluntary or involuntary errors or omissions.
- l. Agrees that the conditions stipulated in this application shall be administered in accordance with the laws in effect in the province of Québec, Canada.
